**2. Read the text.**

Hi. I'm Brenda Smith. I'm thirteen years old. I live in Northern Ireland. I have got a friendly family and a lovely rabbit called Bonnie.

I often walk in winter. I adore this season.

It is the coldest season of the year. The air is fresh and healthy. You need a warm coat, a woolen hat, warm boots and mittens.

The nature is wonderful in winter. Everything is white: houses, trees, roads.

The streets are covered with snow.

You can see icicles on the roofs of the houses. When the weather is sunny and frosty, I often go skating to the skating rink. Children have much fun: they can ski, skate, play snowballs, sledge and make snowman. I like my winter holiday because I have a lot of free time.

At Christmas we decorate our house with garlands, toys, coloured balls, candles. Children get presents. Winter is a fantastic season!
